

## ProControl+ - Connect you alarm to your Phone

# ProControl+

The app that speaks for itself

Go to the **app/play store** and download the **ProControl+** App.

To add a Burglar Alarm panel, **open** the ProControl+ App, press the '+' in the right-hand corner and select **intrusion panel**.

Enter a **name** for the Burglar Alarm panel under **Alias** i.e. Home Alarm, then add the **System ID** in **Serial No** and select the **pencil icon** in the top right-hand corner.

The Panel will now appear on the home screen of the app, **select it** to verify access.

Enter the **User Code** and then input the **App Password** that was created.

You can now see the functions of the ProControl+ App and the various areas and inputs set up. **Select the area** you wish to control and simply **press the switch** to omit or include inputs.

To see the status of inputs, select the **settings** icon next to the switch.

To arm and disarm an area in isolation, simply select the **padlock** icon.

**IF YOU REQUIRE ANY FURTHER ASSISTANCE WITH VIEWING AND SETTING YOUR BURGLAR ALARM FROM YOUR PHONE, PLEASE CALL OUR TECHNICAL SUPPORT TEAM ON 0113 281 2106, WHO WILL BE ABLE TO TALK YOU THROUGH HOW TO SET UP YOUR PROCONTROL+ APP.**
